7	<p><b>Key terms of debentures or managed investment scheme interests (section 7(2)(g))</b></p>	
	<p>Key terms (general)</p>	<p><b>Minimum Investment</b></p> <p>The minimum initial investment amount in the Fund is \$500,000 - additional investments may be of any amount subject to the UCTAL's discretion</p> <p><b>Units and Unit Price</b></p> <p>Each unit held in the Fund gives a unitholder a beneficial interest in the Fund as a whole</p> <p>The unit price is calculated by taking the total market value of all of the Fund's assets on a particular day, adjusting for any liabilities and then dividing the net asset value of the Fund by the number of units on issue on that day - the unit price is typically calculated as at the last business day of each month</p> <p><b>Applying for Units</b></p> <p>The application form attached to the relevant Information Document must be completed and sent with the application monies to UCTAL as directed on the application form</p> <p>UCTAL has complete discretion to accept or reject any application without stating a reason</p> <p>When an application for units is accepted and cleared application monies are received by the last business day of a month, units will be issued using the issue price calculated as at the last business day of that month - the issue price is an amount equal to the unit price plus the buy spread of 0.30% of the unit price</p> <p><b>Distributions</b></p> <p>Income is distributed to unitholders quarterly so that the taxable income of the Fund for each financial year is fully distributed as at year-end</p> <p>Distributions to the unitholders will occur quarterly on or around the 15th business day after the end of March, June, September and December and will be either reinvested or paid out in accordance with the unitholder's instructions on the Application Form.</p> <p>The Fund's financial report contains information about the assets and liabilities and distributions of the Fund – a copy of the financial report is available free of charge from UCTAL on</p>

		<p>request</p> <p><b>Redeeming Units</b></p> <p>When UCTAL receives a redemption request in writing on or before the last business day of a month, UCTAL will generally process the redemption request using the redemption price calculated as at the last business day of the that month and to be paid during the following month of the unit price being struck – redemption proceeds will normally be paid during the following month, after the applicable redemption price is struck</p> <p>The redemption price is an amount equal to the unit price, less the sell spread of 0.30% of the Unit Price</p> <p>If a redemption request leaves a unitholder's balance with redemption value less than \$100,000 (or such lesser amount nominated by UCTAL from time to time), UCTAL may determine to redeem all of the unitholder's units in the Fund.</p> <p>UCTAL will communicate with unitholders regarding market liquidity and will make all reasonable attempts to fulfil redemption requests in as timely a manner as possible that does not negatively impact other unitholders - consistent with UCTAL's obligation to act in the interests of all unitholders, withdrawals may be restricted in extraordinary circumstances</p>
	<p>How rates of return or distributions are determined</p>	<p>The total market return will be the combination of income and capital growth and the Fund aims to either outperform the custom ethical benchmark return over rolling three year periods (before fees) or outperform the S&amp;P ASX 200 Accumulation index (before fees)</p>
	<p>How fees and costs payable by holder are determined</p>	<p><b>Entry/Exit Fees</b></p> <p>An entry fee of up to 5% (plus GST) is allowable however is not currently applicable</p> <p>Entry fees may be introduced as notified by UCTAL from time to time on not less than 90 days' notice</p> <p>No exit fees are payable on exiting the Fund</p> <p><b>Buy/Sell Spread</b></p> <p>The Buy/Sell spread represents an allowance per unit for brokerage, stamp duty and other costs of acquiring and selling the underlying investments of the Fund</p> <p>The allowance of 0.30% is added to the unit price when determining the price at which units are issued, and is subtracted from the unit price when determining the price at which units are redeemed</p> <p>Although the Trust Deed permits a Buy/Sell spread of up to 1.20% of the unit price, currently, the total Buy/Sell spread applicable to the Fund is 0.60%</p> <p>The Buy/Sell spread ceiling rate may be changed as notified by UCTAL from time to time on not less than 90 days' notice</p> <p>The Buy/Sell spread is not included in the Management Expense Ratio (MER) described below</p>
	<p>How costs payable from managed investment scheme are determined</p>	<p><b>Management Fee</b></p> <p>A management fee of 1.20% (plus GST) per annum of the net asset value of the Fund will be payable to UCTAL</p> <p>The management fee ceiling rate may be changed on not less than 90 days' notice by UCTAL from time to time</p> <p>The management fee is included in the Management Expense Ratio</p> <p><b>Expense Reimbursement</b></p> <p>UCTAL may be reimbursed from the Fund for the expenses it</p>

		<p>reasonably incurs in connection with the Fund</p> <p>Expense reimbursements are included in the Management Expense Ratio</p> <p><b>Management Expense Ratio (MER)</b></p> <p>The MER is an expression of the amount of fees and expenses paid from the Fund as a percentage of the average annual asset value of the Fund</p> <p>The MER includes all fees paid to, and expenses incurred by UCTAL</p> <p>On behalf of the Fund, the following fees and expenses are paid by the Trustee, including, but are not limited to, investment consultants, custody and accountants (such as audit and tax)</p> <p>The Buy/Sell spread (see below) is not included in the MER</p> <p>UCTAL will not charge management fees or seek expense reimbursement to the extent that the MER would exceed 1.20% (plus GST) per annum. This does not apply to expenses arising from abnormal events. These abnormal expenses aren't generally incurred during the day-to-day operation of the Fund, aren't necessarily incurred in any given year. They're due to abnormal events such as the cost of running an investor meeting or the legal costs incurred in the changing of the Trust Deed</p> <p>The MER target rate may be changed as notified by UCTAL from time to time on not less than 90 days' notice</p>
