At Call Investment Uniting Church Ministers and Staff

Working for you and your community

Uniting Financial Services is run by a team of investment professionals who believe that strong returns and strongly held beliefs are mutually compatible. We support individual wealth creation in ways that build and enrich the communities we share. This unique approach has helped us grow our funds under management from just over \$400 million ten years ago to more than \$1 billion today.

Some call what we do ethical or socially responsible investing. We call it Ideal Investing.

Your financial partner

Whatever business you are in or stage of life you've reached, Uniting Financial Services offers a range of products to help you maximise your financial potential.

Please feel free to talk to us about At Call Investments or any of our other investment services today.

With At Call Investments it's always your call

An At Call Investment is a great way to maintain easy access to your money while earning a reliable rate of interest. And with no minimum balance you can invest whatever amount suits your investment strategy.

Easy access and no fees

Every dollar of your money is free to work harder with no transaction or maintenance fees. Accessing and managing your funds is easy with the choice of online, phone and in-branch service options.

Cheques and balances

Need a cheque? We can issue one on request. You can add to or withdraw from your investment at any time and interest is calculated daily and paid monthly on your funds. Interest can be compounded or transferred to another At Call Investment.

Our At Call Investment offers the convenience of periodic payment options, and our Partnership team are ready to assist you on 1300 133 673.

Lend a hand without lifting a finger

Just as you benefit from an efficient interest-bearing investment, your investment helps serve your community as it is reinvested in a variety of socially responsible projects.

Ready to invest?

Please call Uniting Financial Services on 1300 133 673 to discuss how an At Call Investment can help you make more of your money with flexibility and security today.
