i. Uniting Financial Services will endeavour to ensure all transfer instructions are carried out in accordance with your or your authorised users' instructions but cannot be held responsible for any loss, real or contingent for any failure to do so.

j. Uniting Financial Services will take reasonable precautions to ensure that information transmitted by us about your investment(s) remains confidential and protected from unauthorised access.

k. You will indemnify and keep us indemnified fully in respect of any claims, actions, losses, damages or expenses howsoever arising and by whomsoever caused, made against or incurred by us in respect of any matters resulting from your use of Uniting Online.

User ID and Passcode

a. Uniting Financial Services will provide individual User ID and Passcode for each of your authorised users, where applicable. You must notify us in writing if you wish to amend your authorised users.

b. You acknowledge and accept that Uniting Financial Services cannot verify by way of signature comparison whether access was correct and authorised but accept that the use of the correct User ID and Passcode is the equivalent to the use of an authorised signature(s).

c. You are obligated to protect your User ID and Passcode from unauthorised access or use, as all transactions effected via Uniting Online shall be considered properly authorised and valid by Uniting Financial Services, and shall be binding on you,

upon inclusion of the correct User ID and Passcode whether authorised by you or not.

d. You may authorise the use of a User ID and Passcode to others who must be authorised users for operations on your investment(s) by completing the necessary forms.

e. You agree to take full responsibility for all transactions effected Online where the correct User ID and Passcode of you or your authorised users is utilised.

f. You agree to change the initial Passcode issued by Uniting Financial Services upon receipt and maintain the confidentiality of that Passcode and ensure your authorised users do likewise.

g. You agree to change your Passcode on a regular basis not exceeding 90 days and ensure your authorised users do likewise.

h) You agree to advise Uniting Financial Services immediately if your User ID and Passcode or that of your authorised users becomes known to unauthorised persons or if you suspect that they have become known to unauthorised persons.

These terms and conditions shall not restrict or modify the provisions of the Competition and Consumer Act 2010 (Cth.) or any equivalent State or Territory legislation and the rights conferred by such provisions.

We may change the terms and conditions that apply to your investments, your investment access channels (e.g. Uniting Online) or any product or service outlined in this PDS.

We will provide updated information by giving you notice (if this were required, such as if the change were materially adverse to you) or by posting the information on our website. You can obtain a paper copy of any information without charge by contacting us using the details provided in Section 4 of this PDS. Your use of Uniting Online after

notification of variation to these terms and conditions shall constitute acceptance of the varied terms and conditions.

Security of Access Methods

The following ways of recording a Passcode are often deciphered by thieves and it is strongly recommended that these ways are not used for recording Passcodes:

a. recording the Passcode as a series of numbers with any of them marked, circled or highlighted to indicate the Passcode;

b. recording the Passcode with surrounding information that makes it stand out from its context. For instance, a Passcode recorded as a 4 or 6 digit telephone number where all other numbers are 8 digits;

c. recording the Passcode as a string of digits in isolation from other information;

d. recording the Passcode as an alphabetical pass code that is a recognisable part of your name; and

e. recording the Passcode as a birth date, postcode or telephone number without additional features of disguise.

A reasonable attempt must be made to protect the security of a Passcode. Making any reasonable attempt to disguise the Passcode within the record, or prevent unauthorised access to the Passcode record, includes but is not limited to:

a. hiding or disguising the Passcode record among other records,

b. hiding or disguising the Passcode in a place where a Passcode would not be expected to be found,

c. keeping a record of the Passcode in a securely locked container, or

d. preventing unauthorised access to an electronically stored record of the Passcode.

You must not act with extreme carelessness

in failing to protect the security of your Passcode where extreme carelessness means a degree of carelessness that greatly exceeds what would normally be considered careless behaviour. An example of extreme carelessness is storing your Passcode in an unprotected computer, organiser or diary under the heading Passcode.

You are liable where we can prove on the balance of probability that you or an authorised user have contributed to the losses in any of the following ways:

a. through your or an additional user's fraud;

b. by you or an authorised user voluntarily disclosing the Passcode, and/or User ID to anyone, including a family member or friend;

c. by keeping a record of the Passcode that can be used together with a User ID (without making any reasonable attempt to disguise the Passcode or prevent unauthorised access to the Passcode) on the one article, or on several articles, carried with the User ID, so that they are liable to loss or theft;

d. by keeping a record of your Passcode, and/or User ID (without making any reasonable attempt to protect the security of the records) on the one article, or on several articles so that they are liable to loss or theft simultaneously;

e. where you or your authorised users select or change a Passcode, by selecting numbers which represent the user's or cardholder's birth date or letters which are a recognisable part of their names, if immediately before this was done we specifically warned you not to do so and that you might incur liability by doing so;

f. by acting with extreme carelessness in failing to protect the security of the Passcode, and/or User ID.

19. Terms and Conditions – BPAY® Electronic Payment Service (not available to Retail Investors)

19.1 BPAY® Scheme

a. We are a Payer Institution Member of the BPAY® Scheme. The BPAY® Scheme is an electronic payments scheme through which you can ask us to make payments on your behalf to organisations (Billers) who tell you that you can make payments to them through the BPAY® Scheme (BPAY® Payments); and We will tell you if we are no longer a Payer Institution Member of the BPAY® Scheme.

b. When you tell us to make a BPAY® Payment, you must give us the information specified in Section 19.4 below. We will then debit your nominated At Call Investment with the amount of that BPAY® Payment.

19.2 How to use the BPAY® Scheme

a. You may make a BPAY® Payment from any At Call Investment with us unless the terms and conditions of that investment specifically exclude the use of BPAY® Payments.

b. You can make a BPAY® Payment by:

(i) Uniting Online; and

(ii) Any other method that we may advise from time to time.

c. You must comply with the terms and conditions applying to the At Call Investment to which you request us to debit a BPAY® Payment, to the extent that those investment terms are not inconsistent with or expressly overridden by the BPAY® terms and conditions. The BPAY® terms and conditions set out below are in addition to those terms. If there is any inconsistency between the terms and conditions applying to the At Call Investment and the BPAY® terms and conditions, the BPAY® terms and

conditions will apply to the extent of that inconsistency.

d. You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and that Biller.

19.3 Payments

a. We will not accept an order to stop a BPAY® Payment once you have instructed us to make that BPAY® Payment.

You should notify us immediately if you become aware that you may have made a mistake (except when you make an underpayment) – for those errors see Section 19.9.2 and 19.9.3 when instructing us to make a BPAY® Payment, or if you did not authorise a BPAY® Payment that has been made from your At Call Investment. Section 19.9 Liability below describes when and how we will arrange for such a BPAY® Payment (other than in relation to an underpayment) to be refunded to you.

c. Subject to Section 19.5, Billers who participate in the BPAY® Scheme have agreed that a BPAY® Payment you make will be treated as received by the Biller to whom it is directed:

(i) On the date you make that BPAY® Payment, if you tell us to make the BPAY® Payment before our Cut-off Time on a Business Day; or

(ii) On the next Business Day, if you tell us to make a BPAY® Payment after our Cut-off Time on a Business Day, or on a non Business Day.

d. A delay may occur in processing a BPAY® Payment where:

(i) The day after you tell us to make a BPAY® Payment is not a Business Day;

(ii) You tell us to make a BPAY® Payment

either on a day which is not a Business Day or after the Cut off Time on a Business Day;

(iii) Another financial institution participating in the BPAY® Scheme does not comply with its obligations under the BPAY® Scheme; or

(iv) A Biller fails to comply with its obligations under the BPAY® Scheme.

e. While it is expected that any delay in processing under this agreement for any reason set out in Section 19.3d. will not continue for more than one Business Day, any such delay may continue for a longer period.

f. You must be careful to ensure that you tell us the correct amount you wish to pay. If you instruct us to make a BPAY® Payment and you later discover that the amount you told us to pay was less than the amount you needed to pay, you can make another BPAY® Payment for the difference between the amount actually paid to a Biller and the amount you needed to pay.

19.4 Information you must give us

The information you must give us to instruct us to make a BPAY® Payment is

(i) The Biller Code of the Biller to be paid;

(ii) The Payer's Customer Reference Number;

(iii) The amount of the payment; and

(iv) Details of your At Call Investment to be debited with the amount of the payment.

You acknowledge that we are not obliged to effect a BPAY® Payment if you do not give us all of the above information or if any of the information you give us is inaccurate.

19.5 Cut-off Times

If you tell us to make a payment before the time specified below, it will in most cases be treated as having been made on the same day. Cut-off Time is 4.30 pm Sydney time.

The payment, however, may take longer to be credited to a Biller on a day which is not a Business Day.

19.6 Valid payment direction

We will treat your instruction to make a BPAY® Payment as valid if, when you give it to us, you comply with:

- (i) Written requests are signed in accordance with the current signing authority with us; and
- (ii) If using Uniting Online that valid User ID and Passcode are supplied. Refer to Section 18 of the current PDS.

19.7 When a Biller cannot process a payment If we are advised that your payment cannot be processed by a Biller, we will:

- a. Advise you of this;
- b. Credit your At Call Investment with the amount of the BPAY® Payment; and
- c. Take all reasonable steps to assist you in making the BPAY® Payment as quickly as possible.

19.8 Payment queries and complaints

- a. If you have any queries regarding any BPAY® Payment you should first contact us. We may ask for any queries to be submitted in writing to ensure that only authorised parties receive information;
- b. If you have a complaint regarding BPAY® Payment we will seek to resolve and respond to complaints promptly and fairly, and will investigate your complaint, and provide you with our decision, and the reasons on which it is based, in writing;
- c. If a query or complaint is not so resolved as contemplated in (a.) or (b.) between you and us within 20 Business Days of the date that you notified us of the query or complaint, then the applicable mechanisms for the resolution of disputes are set out in Section 15 of this PDS.

d. If you are dissatisfied with the outcome, you have the right to lodge a complaint with the Australian Financial Complaints Authority (AFCA) (contact details in Section 15 of this PDS), an approved external dispute resolution scheme, of which we are a member.

19.9 Liability

19.9.1 Liability through fraud or breach

If we can prove on the balance of probability that you contributed to a loss through fraud, or breaching our Passcode security requirements then you are liable in full for any loss that occurs before you report the matter to us other than any loss which exceeds your applicable daily transaction limit.

19.9.2 Mistaken payments, unauthorised transactions and fraud

We will attempt to make sure that your BPAY® Payments are processed promptly by the participants in the BPAY® Scheme, including those Billers to whom your BPAY® Payments are to be made. You must promptly tell us if:

- (i) You become aware of any delays or mistakes in processing your BPAY® Payments;
- (i) If you did not authorise a BPAY® Payment that has been made from your At Call Investment; or
- (ii) If you think that you have been fraudulently induced to make a BPAY® Payment.

We will attempt to rectify any such matters in relation to your BPAY® Payments in the way described in this clause. However, except as set out in this Section 19.9 and Section 19.10, we will not be liable for any loss or damage you suffer as a result of using the BPAY® Scheme. The longer the delay between when you tell us of the error and the date of your BPAY® payment, the more difficult it may be to perform the

error correction. For example, we or your Biller may not have sufficient records or information available to us to investigate the error. If this is the case, you may need to demonstrate that an error has occurred, based on your own records, or liaise directly with the Biller to correct the error.

19.9.3 Mistaken payments

If a BPAY® Payment is made to a person or for an amount, which is not in accordance with your instructions (if any), and your At Call Investment was debited for the amount of that payment, we will credit that amount to your At Call Investment. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount of that payment from the person who received it within 20 Business Days of us attempting to do so, you must pay us that amount.

19.9.4 Unauthorised payments

If a BPAY® Payment is made in accordance with a payment direction, which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your At Call Investment with the amount of that unauthorised payment. However, you must pay us the amount of that unauthorised payment if:

- (i) We can not recover within 20 Business Days of us attempting to do so that amount from the person who received it; and
- (ii) The payment was made as a result of a payment direction, which did not comply with our prescribed security procedures for such payment directions.

19.9.5 Fraudulent payments

If a BPAY® Payment is induced by the fraud of a person involved in the BPAY® Scheme, then that person should refund you the amount of the fraud-induced payment.

However, if that person does not refund you the amount of the fraud-induced payment, you must bear the loss unless some other person involved in the BPAY® Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment.

19.9.6 Resolution principles

If a BPAY® Payment you have made falls within the type described in section 19.9.4 and also Sections 19.9.3 or 19.9.5, then we will apply the principles stated in Section 19.9.4.

If a BPAY® Payment you have made falls within both the types described in Sections 19.9.3 and 19.9.5, then we will apply the principles stated in section 19.9.5.

19.9.7 Indemnity

You indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you;

- (i) Did not observe any of your obligations under these terms and conditions; or
- (ii) Acted negligently or fraudulently in connection with this agreement.

19.9.8 Biller consent

If you tell us that a BPAY® Payment made from your At Call Investment is unauthorised, you must first give us your written consent addressed to the Biller who received that BPAY® Payment, consenting to us obtaining from the Biller information about your account with that Biller or the BPAY® Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY® Payment.

If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY® Payment.

19.10 Consequential damage

This clause does not apply to the extent that it is inconsistent with or contrary to any applicable law or code of practice to which we have subscribed. If those laws or that code would make this clause illegal, void or unenforceable or impose an obligation or liability which is prohibited by those laws or that code, this clause is to be read as if it were varied to the extent necessary to comply with those laws or that code or, if necessary, omitted.

We are not liable for any consequential loss or damage you suffer as a result of using the BPAY® Scheme, other than due to any loss or damage you suffer due to our negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

19.11 Changes to terms and conditions

We may change the terms and conditions that apply to your investments, your investment access channels (e.g. Uniting Online or any product or service outlined in this PDS.

We will provide updated information by giving you notice (if this were required, such as if the change were materially adverse to you) or by posting the information on our website. You can obtain a paper copy of any information without charge by contacting us using the details provided in Section 4 of this PDS.

19.12 Investment records

You should check your At Call Investment records carefully and promptly report to us as soon as you become aware of them any BPAY® Payments that you think are errors or are BPAY® Payments that you did not authorise or you think were made by someone else without your permission.

19.13 Suspension

a. We may suspend your right to participate in the BPAY® Scheme at any time.

b. The circumstances in which we may suspend your right to participate are:

(i) You or anyone acting on your behalf are suspected of acting in a fraudulent manner; or

(ii) In circumstances we consider appropriate.

19.14 Privacy

a. If you use the BPAY® Scheme, you agree to our disclosing:

(i) Billers nominated by you and if necessary the entity operating the BPAY® Scheme (BPAY® Pty Ltd) or any other participant in the BPAY® Scheme and any agent appointed by any of them from time to time, including Cardlink Services Limited, that provides the electronic systems needed to implement the BPAY® Scheme;

(ii) Such of your personal information (for example your name, email address and the fact that you are an investor with Uniting Financial Services) as is necessary to facilitate your registration for or use of the BPAY® Scheme; and

(iii) Such of your transactional information as is necessary to process your BPAY® Payments.

Your BPAY® Payments information will be disclosed by BPAY® Pty Ltd, through its agent, to the Biller's financial institution;

b. You must notify us, if any of your personal information changes and you consent to us disclosing your updated personal information to all other participants in the BPAY® Scheme referred to in Section 19.14a as necessary.

c. You can request access to your information held by us by using the contact details in Section 4 of this PDS, BPAY® Pty Ltd or its

agent, Cardlink Services Limited, Level 4, 3 Rider Boulevard, Rhodes, NSW, 2138. Telephone: 02 9646 9222.

d. If your personal information detailed above is not disclosed to BPAY® Pty Ltd or its agent, it will not be possible to process your requested BPAY® Payment.

20. Terms and Conditions – Cheque Facility (available to Uniting Church organisations only)

General terms and conditions

a. Signing the application form provided by Uniting Financial Services shall signify your acceptance of these terms and conditions.

b. The use of a cheque may also be impacted by the terms and conditions applicable to your Uniting Financial Services At Call Investment. Please refer to the relevant documents for your At Call Investment.

c. You may only write cheques on the forms we supply (unless otherwise agreed by us in writing). All cheques must be completed clearly, in non-erasable ink and signed by you or your authorised signatory(s) in accordance with the authority you give us.

d. You agree that any cheque drawn on your Cheque Facility will be debited to that investment only, irrespective of any instructions to the contrary which may be written on the face of the cheque.

e. Cheque Facility holders will be notified of any changes to the terms and conditions or fees and charges applicable thereto via any such other means as considered appropriate by Uniting Financial Services.

f. Uniting Financial Services reserves the right to withdraw your Cheque Facility at any time if it is believed that the service is not being used in a satisfactory manner. A letter advising that the facility has been withdrawn shall be forwarded to your last known address.

g. Uniting Financial Services cheque books remain the property of Uniting Financial Services and must be returned immediately upon request.

h. Uniting Financial Services reserves the right to refuse and will not be held liable for declining to pay a cheque drawn against uncleared funds.

i. Any request to alter the authorised signatories on a Cheque Facility must be received in writing and are subject to acceptance by Uniting Financial Services.

j. Cancellation of a Cheque Facility must be notified in writing to Uniting Financial Services.

k. Uniting Financial Services may at its discretion require new or existing Cheque Facility holders to lodge a minimum opening balance or have a minimum balance before a Cheque Facility is provided.

l. You will indemnify and keep us indemnified fully in respect of any claims, actions, losses, damages or expenses howsoever arising and by whomsoever caused, made against or incurred by us in respect of any matters resulting from your use of the Cheque Facility.

Safety precautions

a. You must take all reasonable care to prevent fraud occurring in relation to your Cheque Facility. When writing a cheque you should always write the amount of the cheque in words as well as figures, as words are more difficult to alter.

b. You are advised to safeguard your cheques against possible theft, loss or misuse.

c. You must keep your cheques separate from any material which bears your signature, and you must not sign blank cheques.

d. You will be liable for all loss incurred as a result of the loss, misuse or theft of cheques, prior to notification to Uniting Financial Services.

e. Subject to applicable law, Uniting Financial Services shall not be held responsible or liable for any arrangement or transaction which is conducted or processed by us on your behalf, or for any delay or failure in processing a transaction on your behalf, or for any other actions taken or not taken in relation to your Cheque Facility.

Notification of unauthorised use

a. When a cheque or cheque book is lost or stolen or subject to unauthorised use, it must be reported immediately to Uniting Financial Services.

Confirmation in writing of the loss/theft must be received by Uniting Financial Services within three Business Days of verbal notification.

b. You should carefully review your statements and notify us immediately of any errors. This can help reduce fraud. If you do not notify us within two weeks of receiving your statement, then you agree that you do not have the right to make a claim against us regarding any unauthorised transaction noted therein.

No credit

a. If Uniting Financial Services honours a cheque when there are insufficient funds to cover the cheque, you agree to incur and repay the debt up to the amount that the cheque, plus any debit interest due and payable, and fees may have overdrawn your investment.

b. Our right to take action to recover money you owe us will not be prejudiced by any decision we make to meet payment on any cheque. We do not agree to provide you with credit merely because we meet payment on a cheque which causes your investment to be overdrawn.

Stopped cheques

a. You may request payment to be stopped on a cheque that you have written that has

not yet been presented for payment. If your cheque has been presented, we cannot stop payment.

b. Should a 'stop' payment on a cheque be requested, a signed notification must be provided to Uniting Financial Services (unless the instruction is provided via Uniting Online). If this is not provided, Uniting Financial Services is entitled to honour the cheque if presented.

Dishonoured cheques

a. Uniting Financial Services may, at our discretion, dishonour one of your cheques in certain circumstances, including where there are insufficient cleared funds, or your investment has been closed, or where there is a stop order placed on the cheque, or where the cheque is stale, undated, post-dated, unsigned or materially altered, or due to any other irregularity with the cheque.

b. A dishonour fee will be charged to cover any financial institution processing costs charged to Uniting Financial Services.

Crossed cheques

a. Crossing a cheque (drawing two transverse parallel lines from top to bottom on the face of the cheque), means that you are instructing that the cheque must be paid into an account with a financial institution and not cashed.

Not negotiable

a. Inclusion of the words 'not negotiable' on the face of the cheque protects against the transfer of the cheque to anyone other than the named recipient/payee.

Account payee only

a. Inclusion of the words 'account payee only' serves as a warning to financial institutions with which the cheque is deposited that the cheque should only be paid to the person named in the cheque as the payee.

Bearer

a. The words 'or bearer' enable a financial institution to pay the proceeds of the cheque to any person who is in possession of the cheque (unless it is crossed).

You can delete those words if you wish to limit the negotiability of the cheque to the named payee.

Changes to terms and conditions

We may change the terms and conditions that apply to your investments, your investment access channels (e.g. Uniting Online) or any product or service outlined in this PDS.

We will provide updated information by giving you notice (if this were required, such as if the change were materially adverse to you) or by posting the information on our website. You can obtain a paper copy of any information without charge by contacting us using the details provided in Section 4 of this PDS.

21. Terms and Conditions – Direct Debit Request (not available to Retail Investors).

You agree to these terms and conditions by signing the Direct Debit Request form.

Debiting your account or Uniting Financial Services investment

By signing a Direct Debit Request, you have authorised us to arrange for funds to be debited from your Account,

or Uniting Financial Services investment. You should refer to the Direct Debit Request and these terms and conditions for the terms of the arrangement between us and you. We will only arrange for funds to be debited from your Account or Uniting Financial Services investment as authorised in the Direct Debit Request.

If the Debit Day falls on a day that is not a Business Day, we may direct your financial

institution to debit your Account or Uniting Financial Services investment on the following Business Day. If you are unsure about which day your Account or Uniting Financial Services investment has or will be debited you should ask your financial institution.

Changes by us

We may vary any details of these terms and conditions or a Direct Debit Request at any time.

Changes by you

You may cancel, change or defer your authority for us to debit your account at any time by giving us 14 days notice in writing before the next Debit Day.

Your obligations

It is your responsibility to ensure that there are sufficient cleared funds available in your Account or Uniting Financial Services investment to allow a debit payment to be made in accordance with the Direct Debit Request.

If there are insufficient funds in your Account or Uniting Financial Services investment to meet a Debit payment, you may be charged a fee and/or interest by your financial institution. You may also incur fees or charges, imposed or incurred by us and you must arrange for the Debit payment to be made by another method or arrange for sufficient cleared funds to be in your Account or Uniting Financial Services investment by an agreed time so that we can process the Debit payment. You should check your Account or Uniting Financial Services investment statement to verify that the amounts debited from your Account or Uniting Financial Services investment are correct.

If we are liable to pay GST on a supply made by us in connection with these terms and conditions, then you agree to

pay us on demand an amount equal to the consideration payable for the supply multiplied by the prevailing GST rate.

Disputes

If you believe that there has been an error in debiting your Account or Uniting Financial Services investment, you should notify us directly on 1300 133 673 and confirm that notice in writing with us as soon as possible so that we can resolve your query. If we conclude, as a result of our investigations, that your Account or Uniting Financial Services investment has been incorrectly debited we will request your financial institution to adjust your Account or Uniting Financial Services investment (including interest and charges) accordingly. We will also notify you in writing of the amount by which your Account or Uniting Financial Services investment has been adjusted. If we conclude as a result of our investigations that your Account or Uniting Financial Services investment has not been incorrectly debited we will provide you with reasons and any evidence for this finding.

Any queries you may have about an error made in debiting your account or Uniting Financial Services investment should be directed to us in the first instance so that we can attempt to resolve the matter between you and us. If we cannot resolve the matter you can still refer it to your financial institution which will obtain details from you of the disputed transaction and may lodge a claim on your behalf.

Accounts

Direct Debit may not be available on all types of Accounts or investments, so you should check with your financial institution before completing this authority; your Account or Uniting Financial Services investment details which you have provided to us are correct by checking them against a recent Account or Uniting Financial

Services investment statement; and with your financial institution before completing the Direct Debit Request to obtain its terms and conditions in relation to a Direct Debit arrangement or if you have any queries about how to complete the Direct Debit Request.

No liability

In acting on your Direct Debit Request we are not acting as agent for you or any other party, and we are not liable for any loss or damage to you.

To the extent permitted by law, we are not liable for any loss or damage you suffer as a result of using this facility or any delay, omission or failure in respect of any debit including but not limited to technical/ system failure or third party failure. You will indemnify and keep us indemnified fully in respect of any claims, actions, losses, damages or expenses howsoever arising and by whomsoever caused, made against us in respect of any matters arising from your use of the Direct Debit facility.

Privacy

We will keep any information (including your Account or Uniting Financial Services investment details) in your Direct Debit Request confidential. We will make reasonable efforts to keep any such information that we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification reproduction or disclosure of that information. We will only disclose information that we have about you to the extent specifically required by law, or for the purposes of these terms and conditions (including disclosing information in connection with any query or claim).

Notice

If you wish to notify us in writing about anything relating to these terms and conditions you should write to Uniting

Financial Services, at the address provided in Section 4 of this PDS. We will notify you by sending a notice in the ordinary post to the address you have given us in the Direct Debit Request. Any notice will be deemed to have been received two Business Days after it is posted.

Changes to terms and conditions

We may change the terms and conditions that apply to your investments, your investment access channels (e.g. Uniting Online) or any product or service outlined in this PDS.

We will provide updated information by giving you notice (if this were required, such as if the change were materially adverse to you) or by posting the information on our website. You can obtain a paper copy of any information without charge by contacting us using the details provided in Section 4 of this PDS.

22. Terms and Conditions – Periodic Payment Request (not available to Retail Investors).

You agree to these terms and conditions by signing the Periodic Payment Authority.

General terms and conditions

- a. You shall ensure that sufficient funds are available in the nominated investment to meet all commitments on their due dates.
- b. Uniting Financial Services may terminate the Periodic Payment Request we provide to you at any time, without notice.
- c. You will be required to provide Uniting Financial Services with full details of payee, name of financial institution including BSB and account name and numbers (if applicable), in order for us to facilitate your payment requests.
- d. If the Payment Date falls on a non-Business Day, you must ensure sufficient funds are available to meet all commitments

on the last Business Day prior to the Payment Date.

e. When you instruct us to make a payment to an Account held with another financial institution, we will endeavour to make that payment in accordance with the details you have advised. Dishonoured or stopped transactions

a. If you have insufficient funds in your investment(s), Uniting Financial Services may choose, at our discretion, to honour the transaction. If we so choose to honour the transaction, and your investment becomes overdrawn as a result, you agree to incur and repay the debt up to the amount that the debit, any debit interest due and payable, and dishonour fee exceeds the balance of your investment.

b. You can arrange for a payment to be stopped or altered if you notify us before the payment is made, and arrange for cancellation or alteration of a Periodic Payment at least one Business Day before the payment is due to be made.

c. We may at our discretion stop a Periodic Payment at any time. We will notify you in writing should this occur.

d. The Periodic Payment Authority may be cancelled if the payment is returned due to incorrect account number, account closed or similar and you shall be liable for any fees incurred as a result thereof.

No liability

a. It is your sole obligation to ensure the information you provide to us is correct, as Uniting Financial Services will accept no liability or responsibility for payments to incorrect accounts, and any fees resulting there from.

b. To the extent permitted by law, we are not liable for any loss or damage you suffer as a result of using this facility or any delay, omission or failure in respect

of any payment (including but not limited to technical/system failure or third party failure).
