Uniting Church Organisations

Working for you and your community

Uniting Financial Services is run by a team of investment professionals who believe that strong returns and strongly held beliefs are mutually compatible. We support individual wealth creation in ways that build and enrich the communities we share. This unique approach has helped us grow our funds under management from just over \$400 million ten years ago to more than \$1 billion today.

Some call what we do ethical or socially responsible investing. We call it Ideal Investing.

Your financial partner for life

Whatever business you are in or stage of life you've reached, Uniting Financial Services offers a range of products to help you maximise your financial potential.

Please feel free to talk to us about a UFS Cheque Facility or any of the UFS financial services and products that can help your organisation or community today.

Cheque Facility

We've created a special Cheque Facility exclusively for Uniting Church Organisations.

Cashing cheques

Cheques drawn on your Cheque Facility can be cashed at any Westpac branch subject to prearrangement of a Cheque Cashing Facility.

You can add to or withdraw from your Cheque Facility at any time and interest is calculated daily and paid monthly. Interest can be compounded or transferred to another UFS investment plus you can also set up a balance sweep facility.

Easy access and no fees

Every dollar of your organisation's money is free to work harder with no transaction or maintenance fees. Accessing and managing your funds is easy with the choice of online, telephone and in-branch options.

Supporting your Church as we support you

Just as your organisation benefits from an efficient interest-bearing cheque facility, The Uniting Church benefits from your investment. Every dollar your organisation invests helps serve your community as it is reinvested in a variety of projects and mission.
