Uniting Church Organisations

Working for you and your community

Uniting Financial Services is run by a team of investment professionals who believe that strong returns and strongly held beliefs are mutually compatible. We support individual wealth creation in ways that build and enrich the communities we share. This unique approach has helped us grow our funds under management from just over \$400 million ten years ago to more than \$1 billion today.

Some call what we do ethical or socially responsible investing. We call it Ideal Investing.

Whatever business you are in or stage of life you've reached, Uniting Financial Services offer a range of products to help you maximise your financial potential.

Please feel free to talk to us about a UFS Corporate Card or any of the UFS financial services and products that can help your organisation today.
