

## IMPORTANT ANNOUNCEMENT

### Introducing Transaction Manager

As outlined in our recent communications, Uniting Financial Services discontinued cheques as a method of payment on 30 June 2022. From 1 August any cheques presented to UFS will be returned to the presenter.

To reflect this change, the UFS Cheque Facility will now be known as Transaction Manager, effective 1 July 2022.

Transaction Manager, created exclusively for Uniting Church organisations, is a convenient way to manage your day-to-day finances through our online portal, Uniting Online. Interest is calculated daily and paid monthly, and you can also utilise a balance sweep facility so your funds can be transferred to another investment.

By investing with UFS, your organisation can give back to the community, as every dollar invested helps to support a range of church projects and missions.

More information on the features and benefits of Transaction Manager is available on our website. You can also contact our Partner Solutions and Support team on 1300 133 673 or via email.
