

IMPORTANT ANNOUNCEMENT

RBA increases rates by 0.5%

Dear Investors,

As you may be aware, the Reserve Bank of Australia (RBA) increased the cash rate target again on 5 July, taking the rate from 0.85% to 1.35%.

This increase was the third in as many months as the RBA looks to curb the rising prices of goods and services in Australia.

Uniting Financial Services (UFS) is currently reviewing the rates on offer on its range of investments and loans. Please keep an eye out for further updates on the Rates section of our website.
